
Experienced Pipe Crew Laborer

Job Description

Join one of the leading Wisconsin based regional construction contractors specializing in mass excavation, underground utility, and aggregate production services. We serve the local and regional Public Works, DOT and private commercial & residential infrastructure construction markets throughout eastern and southeastern Wisconsin. We are currently seeking personnel additions to our experienced pipe crew for the upcoming construction season. The ideal candidate will have experience working on an underground utility crew, is safety conscious, dependable, and functions effectively as an integral part of a team.

Responsibilities

- Assist in loading/unloading equipment, materials, and supplies
- Must be able to operate a variety of hand and power tools safely.
- Safely work in trenches
- Assist in setting/teardown of braces to support the sides of excavations.
- Install all types of water, sanitary sewer, and storm drain piping.
- Install/adjust manholes, catch basins, valves, and hydrants.
- Assist in installing and maintenance of traffic control devices.

Qualifications

- Previous experience and knowledge of underground utility construction.
- Valid Driver's License with acceptable driving record.
- Must be able to travel to various sites as required throughout Wisconsin.
- Must be able to meet physical demands of the position such as walk/stand for long periods, lift, push, pull, and carry heavy objects.
- Must work safely in all conditions at all times.
- Must pass pre-employment drug test.

We Value and Appreciate Our Employees:

- Union Wages and Benefits
- Health care & pension no cost to employee
